

MILLIPORE
SIGMA

HISTO HEROES

Looking for a
diagnostic solution?

HOW can you find expert support for the toughest problems in your histology workflow?

STRENGTH

in numbers.

Take advantage of the innovative portfolio, industry leading capabilities, and geographic reach of MilliporeSigma to fulfill your laboratory needs.

histoMan

Dedicated to solving the toughest problems in life science.

SUPER POWERS

Encompassing well known and popular brands

Providing more than 300,000 life science products

130 life science distribution centers

More than 1 million life science customers globally

Notes:

WHO can provide IVD antibodies and stains along with IHC and pathology expertise?

SUPER POWERS

IVD antibodies and reagents

Extensive clinical IHC expertise

In-house pathologists

EMPOWER

your
diagnostic
abilities.

Wield the power of
Cell Marque™ IHC
expertise.

diagnostica

Dedicated to revealing the diagnostic truth.
From passion to product to patient®!

Notes:

Blank area for notes.

HOW will you balance processing speed and diagnostic accuracy when the slides keep coming?

ACCELERATE

your diagnostics.

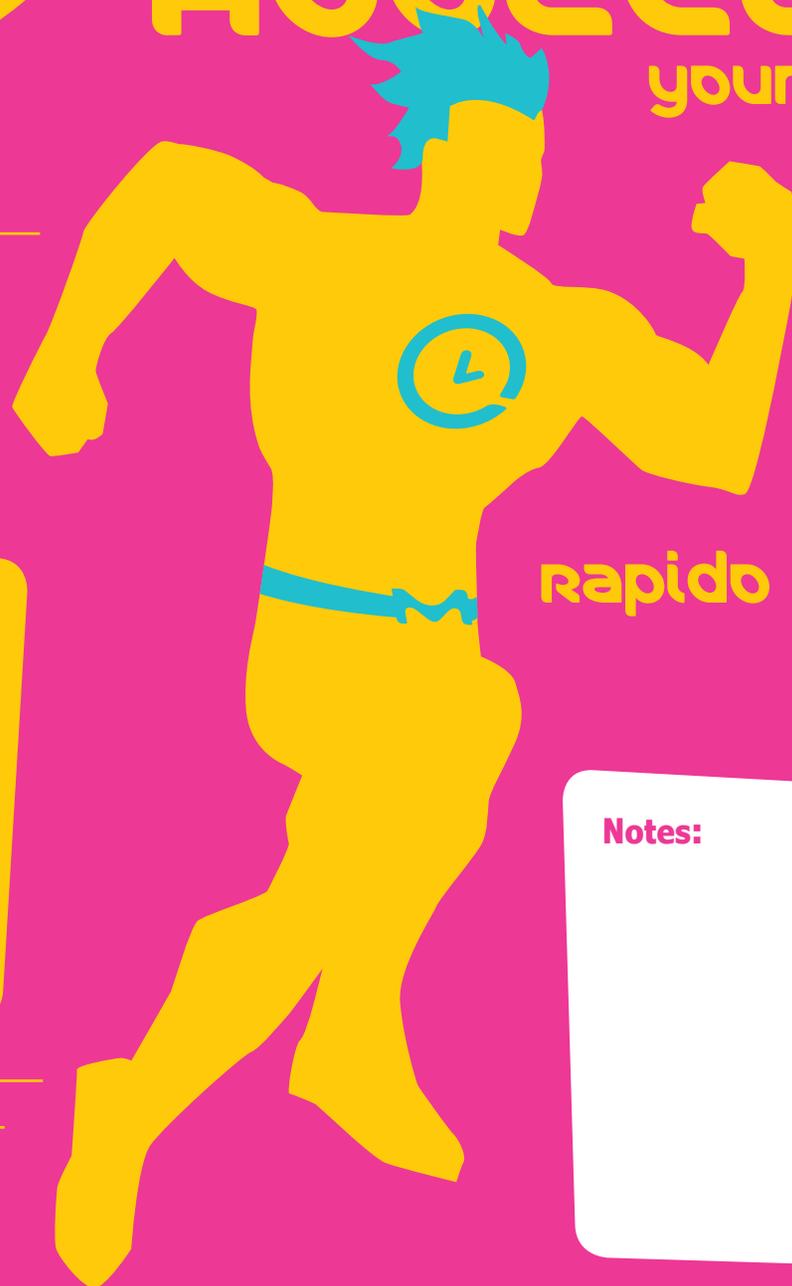

Save time and improve confidence in your routine and special stains with shortened protocols.

SUPER POWERS

Trusted quality reagents

Routine and special stains for every step in the tissue diagnosis workflow

rapido

Dedicated to providing rapid tissue diagnostic solutions.

Notes:

A large white rounded rectangle intended for taking notes, located in the bottom right corner of the page.

WHAT can I do to get reliable, high quality water for all of my histological processes?

PURIFY

with control!

Advance with water purification systems and services designed for tissue pathology.

SUPER POWERS

Intelligence, precision and efficiency with an ultrapure lab water system

Application-specific contaminant removal

purity

Dedicated to providing the highest quality ultrapure water with superior control.

Notes:

A large, empty white rectangular box with rounded corners, intended for handwritten notes.

COMBINE

forces!

Leverage the expertise of EMD Millipore®,
Sigma-Aldrich™ and Cell Marque™.
