

PD-L1

NOW AVAILABLE!

The Cell Marque™ team is proud to announce the release of two new rabbit monoclonal PD-L1 antibodies.

At Cell Marque™, we understand the importance of PD-L1 testing for our customers; this is why we have launched two clones, 28-8 and ZR3. We want to provide the laboratory the opportunity to choose what will best suit their needs with their lab developed tests.

Order Today!

PD-L1 (28-8)

Size	Product Number
0.1 mL	438R-14-ASR
0.5 mL	438R-15-ASR
1.0 mL	438R-16-ASR
1.0 mL Sample Size	438R-17-ASR
7.0 mL	438R-18-ASR

PD-L1 (ZR3)

Size	Product Number
0.1 mL	438R-24-ASR
0.5 mL	438R-25-ASR
1.0 mL	438R-26-ASR
1.0 mL Sample Size	438R-27-ASR
7.0 mL	438R-28-ASR
