

The wait is over

These highly desired rabbit monoclonal antibodies, ROS1 and ARID1A, are now available in the Cell Marque™ Antibody Portfolio!

As your trusted partner in IHC, our team of experts values the importance of introducing novel markers into your laboratory. Breakthroughs feel closer than ever as we release these lab-developed tests conveniently available to order today.

ARID1A (EP303) Rabbit Monoclonal Primary Antibody

Ordering Information:

Description	Cat. No.
0.1 mL	407R-14-ASR
0.5 mL	407R-15-ASR
1.0 mL	407R-16-ASR
1.0 mL Sample Size	407R-17-ASR
7.0 mL	407R-18-ASR

ROS1 (MRQ-68) Rabbit Monoclonal Antibody

Ordering Information:

Description	Cat. No.
0.1 mL	469R-94-ASR
0.5 mL	469R-95-ASR
1.0 mL	469R-96-ASR
1.0 mL Sample Size	469R-97-ASR
7.0 mL	469R-98-ASR
